Cari Rebottaro indicated that April is National Volunteer Month. They are very appreciative of the volunteers they have that help their programs run smoothly. As an example, Cari stated that she had 34 drivers to deliver home delivered meals and 3 bulk meal drivers to transport food to the satellite kitchens. She indicated that this equates to approximately 9500 hours of service donated year. At minimum wage that is a savings of \$80,750 per year.

IV. PLAN OBJECTIVES

County Employee Wellness Programs:

It would appear that all but 6 employees were able to comply with the annual wellness requirements last year.

County employees have been offered the opportunity to participate in the Erace Stigma 5K. This not only supports mental health programs, it promotes health and wellness for County employees. The County will cover the \$15 registration fee for any county employee participating in the 5K run/walk. We have had a total of 77 county employees sign up for the event.

V. ADJOURNMENT

Motion by Bales, seconded by Wittenbach, to adjourn the meeting at 11:09 a.m. Motion carried.
