

## WANT TO BE A WISEWOMAN?

Are you between the ages of 40-64 and have no insurance, Medicaid or insurance with high deductibles or co-pays? We may be able to help you get your yearly breast, pelvic, cholesterol testing, diabetes screening and Mammogram done for FREE.

Would you like to receive free support services along with other free items such as a \$10 Meijer gas card just for coming to your appointment?

Are you ready to make small, healthy lifestyle changes in your life to prevent heart disease and other chronic illnesses?

Have you ever thought about starting your own garden or expanding your current garden and maybe making some extra money? We have an Entrepreneurial Gardening Program you may be able to join for free.

There are income guidelines, so please call to see if you qualify for the Well-Integrated Screening and Evaluation for Women Across The Nation (WISEWOMAN) Program.
