

(Training for Intervention ProcedureS)

FREE TIPS training offered by the Lenawee County Health Department!

TIPS for On Premise empowers employees to take a proactive approach toward preventing alcohol misuse and maintaining control of the environment. By training to recognize the signs of intoxication, you can reduce the chance that an alcohol-related incident will occur.

This training satisfies the requirement for MCL 436.1501(1).

Lenawee County Health Department offers two ways to take the TIPS for On Premise training:
