

Wacker Chemical Corporation  
Anderson Development Company  
Lenawee Intermediate School District  
Presents...

# Stubnitz Environmental Education Center **SEEC Spring Open House** Saturday, May 12, 2018

8:00 a.m. - 12:00 p.m.

Stubnitz Environmental Education Center  
in Adrian's Heritage Park

## PROGRAM SCHEDULE

9:00 am

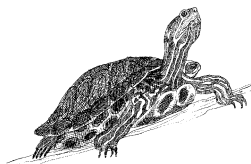

### "Bluebird Habitat Program"

Lucy Oldfield will give a presentation on the bluebird monitoring program that Wacker Chemical Corporation has on their grounds.

10:00am-11:00 am

### "Michigan Wildlife Presentation"

A hands-on animal program will be presented by the McGraths from Nature Discovery. Michigan reptile and amphibian species will be highlighted as well as a few surprise animal guests. Come check out the live specimens, get up close and personal with them, and enjoy this fun filled program.

11:00am

### Guided Trail Hike

"What's Up in the Springtime Woods?" trail hike

*Spring Open House Programs are offered free of charge, in conjunction with the Spring Household Hazardous Waste Drop Off programs.*

*LISD Stubnitz Environmental Education Center is located in Heritage Park, .2 of a mile south of the intersection of M-52 and Valley Rd.*

3241 N. Adrian Drive, Adrian, MI 49221
