PETITION INSTRUCTIONS

READ BEFORE CIRCULATING PETITION

The validity of signatures placed on this petition may be affected if the following are not observed.

Make sure that all signers properly complete the petition.

- Each signer must be a property owner with lands in the drainage district owning lands liable for assessment for the drain. Eligible "freeholders" include outright owners of property, designated officers of corporations or companies, trustees, land contract purchasers in possession, and owners of any estate of inheritance or for life.
- Signatures by renters do not count as valid signatures.
- Each signer must sign and print his or her first and last name.¹
- Each signer must enter on the form his or her full address. Each signer must enter the City, Township or Village where property is owned.²
- Each signer must date his or her signature with the month, day and year of signing.

Complete the circulator's certificate after circulating the petition.

- Sign and print your full name and enter the month, day and year in the presence of a notary public. Signatures on the petition that are dated after the date on the circulator's certificate are invalid.
- Sign each petition form for which you are a circulator and have them notarized. The notary public witnessing the circulator's signing must acknowledge that action by executing the notarization in the blank spaces provided on the form.

Circulate the petition properly.

- Confirm signers are property owners owning lands in the drainage district.
- Ditto marks are not acceptable in the address entries. Signers are to use their legal names (i.e., Mary Doe, NOT Mrs. John Doe).
- Do not leave the petition unattended.

File the Petition.

- The completed petition should be filed with the Lenawee County Drain Commissioner.

¹ The failure of the circulator or a signer who signs the petition to print his or her name in the proper location does not affect the validity of the circulator's or signer's signature. However, a printed name located in the space designated for a printed name does not constitute the signature of the circulator or elector.

² The failure of a signer of the petition to enter his or her address does not affect the validity of the signer's signature.
