Subject: **Lenawee County Solid Waste Management Plan | Proposed 2016 Amendment**

Dear Ms. Miller:

The County of Lenawee is sorry to officially announce that the proposed 2016 Amendment of the *Lenawee County Solid Waste Management Plan* cannot be approved locally. Although the County Board of Commissioners adopted the proposed Plan Amendment on October 12, 2016, it has become clear that it will be impossible to obtain the required approval of 67% of the 34 municipalities which comprise Lenawee County. That requirement means that only 11 (i.e., 33%) or less of those municipalities may choose to not adopt the proposed Plan Amendment locally. Unfortunately, 12 municipalities voted to not adopt the proposed Plan Amendment. The main reason cited for this defeat is that the proposed Plan Amendment included a countywide millage in the listing of possible sources to fund Lenawee County's solid waste recycling program. A series of attachments to this letter contain the proposed Plan Amendment and associated documentation requested by the MDEQ. If you require further information, please contact me via (517) 768-6711 or gbauman@co.jackson.mi.us.

Sincerely,

A handwritten signature in black ink that reads "Grant E. Bauman".

Grant E. Bauman, AICP
Recording Secretary
