PRESS RELEASE FOR IMMEDIATE RELEASE

May 3, 2019

Sanitary Sewer Overflow (SSO) City of Hudson

Cindy Merritt, Environmental Health Supervisor for the Lenawee County Health Department has issued the following Health Advisory for Lenawee County:

Lenawee County residents and visitors are advised to avoid physical contact with the Bean Creek until further notice. This body of water was subject to discharge from the City of Hudson sewage collection and treatment system. This advisory does not apply to public or private drinking water supplies.

This advisory will remain in effect until results from water testing indicate Bean Creek water quality is not impacted from the sewage discharge.

For more information contact the Lenawee County Health Department at 517-264-5214 or ehlenawee@hline.org.
