**IMPORTANT**

- A report must be made to police within 48 hours after the injury unless there was a good reason for a delay or the injured person is a child.
- The victim must be willing to cooperate with the police and the prosecutor.
- A person cannot have committed or be an accomplice to the crime.
- Inmates are not eligible.
- A claim will be rejected if the victim caused the injury or was doing something illegal and dangerous at the time of injury.

**WHAT DO YOU NEED TO SEND IN?**

- A fully completed application.
- Itemized copies of all bills you want to claim. If you will need more medical treatment, see if your doctor can give a written estimate of future expenses.
- If you have insurance or Medicare, send copies of your insurance benefit statements for all expenses.
- For lost earnings, send copies of recent payroll check stubs and a written disability statement from your doctor.
- For burial assistance, send a copy of the signed itemized funeral bill.
- For counseling, ask your therapist for the assessment, a treatment plan, and an itemized billing or estimate.
- For loss of support, send check stubs or the last tax return of the person who died, the social security survivor’s benefit and life insurance statements.
- If you’re not sure what to send, just send in your completed application and we’ll let you know what is needed.

**WHAT IF YOUR CLAIM IS Denied?**

You have 30 days to write to us to disagree. You may ask for a review of the file or a hearing before the commission in Lansing. The decision by the commission is final.

**CONFIDENTIALITY**

A person’s papers and testimony before the commission are private. We may tell only whether a person’s claim was approved or denied. Any other information will only be released by a court order.

**WHO PAYS?**

Money to support this service is paid by criminal defendants convicted in Michigan’s courts. The state also receives money to help crime victims from criminal fines collected in federal courts.

**DON’T GIVE FALSE INFORMATION**

It’s a crime to give false information to try to get money from the state. Many safeguards are in place to protect crime victim funds. We will forcefully pursue the arrest and conviction of anyone trying to cheat crime victims from the money the State of Michigan provides for them.
