# Lenawee County Parks

**Lenawee County Parks** provide recreational, social, and cultural opportunities; while leading in the preservation, conservation, restoration, and promotion of the natural, scenic, and historical resources of Lenawee County.

County parks are open 8:00 a.m. to dusk from Memorial weekend through Labor Day; unless otherwise stated. Prior to the regular season, the parks will be opened on weather permitting weekends.

These parks have few neighbors and some are off the beaten path; but they are well worth a trip to explore our county's natural resources.
