INDEPENDENT AUDITORS’ COMMUNICATION WITH THOSE CHARGED WITH GOVERNANCE

June 30, 2020

Honorable Members of the
Board of Commissioners
of Lenawee County, Michigan
Adrian, Michigan

We have audited the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of Lenawee County, Michigan (the “County”) as of and for the year ended December 31, 2019, and have issued our report thereon dated June 30, 2020. Our report includes a reference to other auditors who audited the financial statements of the Lenawee County Road Commission and Lenawee Transportation Corporation, as described in our report on the County’s financial statements. Professional standards require that we advise you of the following matters relating to our audit.

Our Responsibility in Relation to the Financial Statement Audit

As communicated in our engagement letter dated February 6, 2020, our responsibility, as described by professional standards, is to form and express opinions about whether the financial statements that have been prepared by management with your oversight are fairly presented, in all material respects, in conformity with accounting principles generally accepted in the United States of America. Our audit of the financial statements does not relieve you or management of your respective responsibilities.

Our responsibility, as prescribed by professional standards, is to plan and perform our audit to obtain reasonable, rather than absolute, assurance about whether the financial statements are free of material misstatement. An audit of financial statements includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control over financial reporting. Accordingly, as part of our audit, we considered the internal control of the County solely for the purpose of determining our audit procedures and not to provide any assurance concerning such internal control.

We are also responsible for communicating significant matters related to the audit that are, in our professional judgment, relevant to your responsibilities in overseeing the financial reporting process. However, we are not required to design procedures for the purpose of identifying other matters to communicate to you.
We have provided our findings regarding internal control over financial reporting and compliance noted during our audit in a separate letter to you dated June 30, 2020. In addition, we noted certain other matters which are included in Attachment A to this letter.

**Planned Scope and Timing of the Audit**

We performed the audit according to the planned scope and timing previously communicated to you in our engagement letter and in our meeting about planning matters.

**Compliance with All Ethics Requirements Regarding Independence**

The engagement team, others in our firm, as appropriate, and our firm has complied with all relevant ethical requirements regarding independence.

**Qualitative Aspects of the County’s Significant Accounting Practices**

**Significant Accounting Policies**

Management has the responsibility to select and use appropriate accounting policies. A summary of the significant accounting policies adopted by the County is included in Note 1 to the financial statements.

There have been no initial selections of accounting policies and no changes in significant accounting policies or their application during the year.

No matters have come to our attention that would require us, under professional standards, to inform you about (1) the methods used to account for significant unusual transactions and (2) the effect of significant accounting policies in controversial or emerging areas for which there is a lack of authoritative guidance or consensus.

**Significant Accounting Estimates**

Accounting estimates are an integral part of the financial statements prepared by management and are based on management’s current judgments. Those judgments are normally based on knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ markedly from management’s current judgments.

The most sensitive accounting estimates affecting the financial statements were:

- Management’s estimate of the useful lives of depreciable capital assets is based on the length of time it is believed that those assets will provide some economic benefit in the future.

- Management’s estimate of the accrued compensated absences is based on current hourly rates and policies regarding payment of sick and vacation banks.

- Management’s estimate of the allowance for uncollectible receivable balances is based on past experience and future expectation for collection of various account balances.
Management’s estimate of the insurance claims incurred but not reported is based on information provided by the entity’s third party administrators and subsequent claims activity.

The assumptions used in the actuarial valuations of the pension and other postemployment benefits plans are based on historical trends and industry standards.

We evaluated the key factors and assumptions used to develop these estimates and determined that they are reasonable in relation to the basic financial statements taken as a whole and in relation to the applicable opinion units.

Significant Difficulties Encountered During the Audit

We encountered no significant difficulties in dealing with management relating to the performance of the audit.

Uncorrected and Corrected Misstatements

For purposes of this communication, professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that we believe are trivial, and communicate them to the appropriate level of management. Further, professional standards require us to also communicate the effect of uncorrected misstatements related to prior periods on the relevant classes of transactions, account balances or disclosures, and the financial statements as a whole and each applicable opinion unit. In addition, professional standards require us to communicate to you all material, corrected misstatements that were brought to the attention of management as a result of our audit procedures. The material misstatements detected as a result of audit procedures and corrected by management are described in the Schedule of Findings and Questioned Costs issued in connection with the Single Audit.

The schedule of adjustments passed is included with management's written representations in Attachment C to this letter, and summarizes uncorrected financial statement misstatements whose effects in the current and prior periods, as determined by management, are immaterial, both individually and in the aggregate, to the financial statements taken as a whole and each applicable opinion unit.

Disagreements with Management

For purposes of this letter, professional standards define a disagreement with management as a matter, whether or not resolved to our satisfaction, concerning a financial accounting, reporting, or auditing matter, which could be significant to the County’s financial statements or the auditors’ report. No such disagreements arose during the course of the audit.

Representations Requested from Management

We have requested certain written representations from management, which are included in Attachment C to this letter.
Management’s Consultations with Other Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters. Management informed us that, and to our knowledge, there were no consultations with other accountants regarding auditing and accounting matters.

Other Significant Matters, Findings, or Issues

In the normal course of our professional association with the County, we generally discuss a variety of matters, including the application of accounting principles and auditing standards, operating and regulatory conditions affecting the entity, and operational plans and strategies that may affect the risks of material misstatement. None of the matters discussed resulted in a condition to our retention as the County’s auditors.

Other Information in Documents Containing Audited Financial Statements

Our responsibility for the supplementary information accompanying the financial statements, as described by professional standards, is to evaluate the presentation of the supplementary information in relation to the financial statements as a whole and to report on whether the supplementary information is fairly stated, in all material respects, in relation to the financial statements as a whole. We made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with accounting principles generally accepted in the United States of America, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

Upcoming Changes in Accounting Standards

Generally accepted accounting principles (GAAP) are continually changing in order to promote the usability and enhance the applicability of information included in external financial reporting. While it would not be practical to include an in-depth discussion of every upcoming change in professional standards, Attachment B to this letter contains a brief overview of recent pronouncements of the Governmental Accounting Standards Board (GASB) and their related effective dates. Management is responsible for reviewing these standards, determining their applicability, and implementing them in future accounting periods.

This information is intended solely for the use of the governing body and management of Lenawee County, Michigan and is not intended to be and should not be used by anyone other than these specified parties.
LENAWEE COUNTY, MICHIGAN

Attachment A - Comments and Recommendations
For the December 31, 2019 Audit

During our audit, we became aware of certain other matters that are opportunities for strengthening internal control and/or improving operating efficiency. This memorandum summarizes our comments and recommendations regarding those matters. Our consideration of the County's internal control over financial reporting is described in our report, dated June 30, 2020, issued in accordance with Government Auditing Standards. This memorandum does not affect that report or our report dated June 30, 2020, on the financial statements of Lenawee County.

Internal Controls and Reconciliation Process for the Probate Court (repeat comment)

As a part of additional services in a prior year, we performed an evaluation of the policies and procedures and reconciled the liability of the probate restitution account. Several recommendations for internal control improvements were made along with reconciliation procedures. During the audit, we noted the County is currently in the process of drafting the written policies and procedures, but they have not been formally adopted and implemented by the County. We recommend the County complete and formally adopt the written policies and procedures and ensure the recommendations that we made are included.

Management's Response. The County is in the process of evaluating procedures and policies that will streamline restitution payments to victims. We are also including central administration services to evaluate and provide internal control in this process.

Equalization Department (repeat comment)

During the audit, we noted the equalization department does not have any written policies or procedures in place in regards to internal controls. Additionally, we noted the petty cash procedures do not have a separate individual reviewing the petty cash request when the individual making the petty cash request is both the account custodian and the department head. We recommend the County implement written policies and procedures for the equalization department and that includes a requirement for an independent review of each petty cash request.

Management's Response. The County has evaluated the policies and procedures and is working towards implementing written policies and procedures for internal controls. Additionally, the petty cash policy for Equalization will be reviewed to strengthen the internal controls.

Special Revenue Fund 290 - Social Services

Under GASB 54, special revenue funds should be used only to account for the proceeds of specific revenue sources that are restricted or committed to expenditures for specified purposes (other than those accounted for in debt service or capital projects funds). These specific revenue sources must be external (i.e., interfund transfers do not qualify), and must comprise a substantial portion of the fund’s ongoing inflows. Funds no longer meeting this definition will need to be collapsed into the general fund (at least for external financial reporting purposes). The special revenue fund that we noted in the financial statements does not appear to qualify under the GASB 54 definition is the social services fund.
Management’s Response. The County agrees that Fund 290 no longer qualifies as a special revenue fund, and we need to address this. We are currently evaluating our options on where our social services fund should reside.
LENAWEE COUNTY, MICHIGAN

Attachment B - Upcoming Changes in Accounting Standards / Regulations
For the December 31, 2019 Audit

The following pronouncements of the Governmental Accounting Standards Board (GASB) have been released recently and may be applicable to the County in the near future. We encourage management to review the following information and determine which standard(s) may be applicable to the County. For the complete text of these and other GASB standards, visit www.gasb.org and click on the “Standards & Guidance” tab. If you have questions regarding the applicability, timing, or implementation approach for any of these standards, please contact your audit team.

GASB 83 ■ Certain Asset Retirement Obligations
Effective 06/15/2020 (your FY 2020)

This standard addresses accounting and financial reporting for certain asset retirement obligations—legally enforceable liabilities associated with the retirement of a tangible capital asset. We do not expect this standard to have any significant effect on the County.

GASB 84 ■ Fiduciary Activities
Effective 12/15/2020 (your FY 2020)

This standard establishes new criteria for determining how to report fiduciary activities in governmental financial statements. The focus is on whether the government is controlling the assets, and who the beneficiaries are. Under this revised standard, certain activities previously reported in agency funds may be reclassified in future periods.

GASB 87 ■ Leases
Effective 06/15/2022 (your FY 2022)

This standard establishes a single model for reporting all leases (including those previously classified as operating and capital). Lessees will now report offsetting intangible lease assets and lease liabilities equal to the present value of future lease payments. Lessors will report offsetting lease receivables and deferred inflows of resources.

GASB 89 ■ Accounting for Interest Cost Incurred before the End of a Construction Period
Effective 12/15/2021 (your FY 2021)

This standard eliminates the requirement for governments to capitalize interest during the construction period for business-type activities. As this simplifies the accounting for interest, early implementation is encouraged. We do not expect this standard to have any significant effect on the County.

GASB 91 ■ Conduit Debt Obligations
Effective 12/15/2022 (your FY 2022)

This standard defines "conduit debt obligations", where a government issues debt whose proceeds are received and repaid by a third-party obligor without the issuer being primarily liable. The standard requires issuers to disclose conduit debt obligations, but not to record a liability unless it is more likely than not that a commitment made by the issuer will require it to support one or more debt payments for a conduit debt obligation. We do not expect this standard to have any significant effect on the County.
LENAWEE COUNTY, MICHIGAN

Attachment B - Upcoming Changes in Accounting Standards / Regulations
For the December 31, 2019 Audit

GASB 92 ■ Omnibus 2020
Effective 06/15/2022 (your FY 2022)

This standard includes a variety of small technical revisions to previously issued GASB statements. We do not expect this standard to have any significant effect on the County.

GASB 93 ■ Replacement of Interbank Offered Rates
Effective 06/15/2022 (your FY 2022)

This standard provides guidance to governments with agreements with variable payments tied to LIBOR, and how to transition them to a new reference rate. We do not expect this standard to have any significant effect on the County.

GASB 94 ■ Public-Private and Public-Public Partnerships and Availability Payment Arrangements
Effective 06/15/2023 (your FY 2023)

This standard addresses accounting and financial reporting for arrangements in which a government contracts with an operator to provide public services by conveying control of the right to operate or use a capital asset for a period of time in an exchange or exchange-like transaction. We do not expect this standard to have any significant effect on the County.

GASB 96 ■ Subscription-Based Information Technology Arrangements
Effective 06/15/2023 (your FY 2023)

This standard expands on the new guidance for leases and applies it to computer software contracts (subscriptions) with similar characteristics. Governments that subscribe to a vendor’s IT software will now report offsetting intangible subscription assets and subscription liabilities equal to the present value of future subscription payments.
The following pages contain the written representations that we requested from management.
June 30, 2020

Rehmann Robson
675 Robinson Road
Jackson, MI 49203

This representation letter is provided in connection with your audit of the financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of Lenawee County, Michigan (the “County”), as of and for the year ended December 31, 2019, and the related notes to the financial statements, for the purpose of expressing opinions on whether the basic financial statements present fairly, in all material respects, the financial position, results of operations, and cash flows, where applicable, and the budgetary comparison for the general fund of the County in conformity with accounting principles generally accepted for governments in the United States of America (U.S. GAAP).

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in the light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

We confirm that, having made such inquiries as we considered necessary for the purpose of appropriately informing ourselves as of June 30, 2020:

Financial Statements

1. We have fulfilled our responsibilities, as set out in the terms of the audit engagement letter dated February 6, 2020, for the preparation and fair presentation of the financial statements of the various opinion units referred to above in accordance with U.S. GAAP. We have reviewed, approved, and taken responsibility for the financial statements and related notes.

2. We have reviewed and approved the various adjusting journal entries that were proposed by you for recording in our books and records and reflected in the financial statements.

3. We acknowledge our responsibility for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

4. We acknowledge our responsibility for the design, implementation, and maintenance of internal control to prevent and detect fraud.

5. Significant assumptions used by us in making accounting estimates, including those measured at fair value, are reasonable.

6. Related party relationships and transactions have been appropriately accounted for and disclosed in accordance with the requirements of U.S. GAAP. For the purposes of this letter, related parties mean members of the governing body; board members; administrative officials; immediate families of administrative officials, board members, and members of the governing body; and any companies affiliated with or owned by such individuals.

7. All events subsequent to the date of the financial statements and for which U.S. GAAP requires adjustment or disclosure have been adjusted or disclosed.
8. The effects of uncorrected misstatements summarized in the attached schedule and aggregated by you during the current engagement are immaterial, both individually and in the aggregate, to the applicable opinion units and to the financial statements as a whole.

9. The effects of all known actual or possible litigation and claims have been accounted for and disclosed in accordance with U.S. GAAP.

10. With regard to items reported at fair value:
   a. The underlying assumptions are reasonable, and they appropriately reflect management’s intent and ability to carry out its stated courses of action.
   b. The measurement methods and related assumptions used in determining fair value are appropriate in the circumstances and have been consistently applied.
   c. The disclosures related to fair values are complete, adequate, and in conformity with U.S. GAAP.
   d. There are no subsequent events that require adjustments to the fair value measurements and disclosures included in the financial statements.

11. All component units, as well as joint ventures with an equity interest, are included and other joint ventures and related organizations are properly disclosed.

12. All funds and activities are properly classified.

13. All funds that meet the quantitative criteria in GASB Statement No. 34, Basic Financial Statements—and Management’s Discussion and Analysis—for State and Local Governments, and GASB Statement No. 37, Basic Financial Statements—and Management’s Discussion and Analysis—for State and Local Governments: Omnibus, for presentation as major are identified and presented as such and all other funds that are presented as major are considered important to financial statement users.

14. All components of net position and fund balance classifications have been properly reported.

15. All revenues within the statement of activities have been properly classified as program revenues, general revenues, contributions to term or permanent endowments, or contributions to permanent fund principal.

16. All expenses have been properly classified in or allocated to functions and programs in the statement of activities, and allocations, if any, have been made on a reasonable basis.

17. All interfund and intra-entity transactions and balances have been properly classified and reported.

18. Deposit and investment risks have been properly and fully disclosed.

19. Capital assets, including infrastructure assets, are properly capitalized, reported, and if applicable, depreciated.

20. All required supplementary information is measured and presented within the prescribed guidelines.

21. We believe that the actuarial assumptions and methods used to measure pension and other postemployment benefit liabilities and costs for financial accounting purposes are appropriate in the circumstances.

22. In response to the novel coronavirus outbreak (COVID-19), subsequent to year end, the Governor issued various temporary Executive Orders that, among other stipulations, effectively prohibit in-person work activities for most businesses and industries including non-essential government services, having the effect of suspending or severely curtailing operations. As a result, the COVID-19 outbreak is disrupting and affecting the government’s normal activities. The extent of the ultimate impact of the pandemic on the government’s operational and financial performance will depend on certain developments, including the duration and spread of the outbreak and its impact on employees, vendors, and taxpayers, all of which cannot be reasonably predicted at this time. In addition, it may place additional demands on the government for providing emergency services to its citizens. While management reasonably expects the COVID-19 outbreak to negatively impact the government’s financial position, changes in financial position, and, where applicable, the timing and amounts of cash flows, the related financial consequences and duration are highly uncertain.

Information Provided

23. We have provided you with:
a. Access to all information, of which we are aware that is relevant to the preparation and fair presentation of the financial statements of the various opinion units referred to above, such as records, documentation, meeting minutes, and other matters;
b. Additional information that you have requested from us for the purpose of the audit; and
c. Unrestricted access to persons within the entity from whom you determined it necessary to obtain audit evidence.

24. All transactions have been recorded in the accounting records and are reflected in the financial statements.

25. We have disclosed to you the results of our assessment of the risk that the financial statements may be materially misstated as a result of fraud.

26. We have no knowledge of any fraud or suspected fraud that affects the entity and involves:
   a. Management;
   b. Employees who have significant roles in internal control; or
   c. Others where the fraud could have a material effect on the financial statements.

27. We have no knowledge of any allegations of fraud, or suspected fraud, affecting the entity’s financial statements communicated by employees, former employees, vendors, regulators, or others.

28. We have disclosed to you all known actual or possible litigation and claims whose effects should be considered when preparing the financial statements.

29. We have disclosed to you the identity of the entity’s related parties and all the related party relationships and transactions of which we are aware.

30. There have been no communications from regulatory agencies concerning noncompliance with or deficiencies in accounting, internal control, or financial reporting practices.

31. The government has no plans or intentions that may materially affect the carrying value or classification of assets and liabilities.

32. We have disclosed to you all guarantees, whether written or oral, under which the government is contingently liable.

33. We have identified and disclosed to you the laws, regulations, and provisions of contracts and grant agreements that could have a direct and material effect on financial statement amounts, including legal and contractual provisions for reporting specific activities in separate funds.

34. There are no:
   a. Violations or possible violations of laws or regulations, or provisions of contracts or grant agreements whose effects should be considered for disclosure in the financial statements or as a basis for recording a loss contingency, including applicable budget laws and regulations.
   b. Unasserted claims or assessments that our lawyer has advised are probable of assertion and must be disclosed in accordance with GASB Statement No. 62, Codification of Accounting and Financial Reporting Guidance Contained In Pre-November 30, 1989 FASB and AICPA Pronouncements.
   c. Other liabilities or gain or loss contingencies that are required to be accrued or disclosed by GASB Statement No. 62.

35. The government has satisfactory title to all owned assets, and there are no liens or encumbrances on such assets nor has any asset or future revenue been pledged as collateral, except as disclosed to you.

36. We have complied with all aspects of grant agreements and other contractual agreements that would have a material effect on the financial statements in the event of noncompliance.

37. We have disclosed to you all significant estimates and material concentrations known to management that are required to be disclosed in accordance with GASB Statement No. 62. Significant estimates are estimates at the balance sheet date that could change materially within the next year. Concentrations refer to volumes of business, revenues, available sources of supply, or markets or geographic areas for which events could occur that would significantly disrupt normal finances within the next year.

38. We are currently involved in various tax appeals pending before the Michigan Tax Tribunal. We felt that any significant negative outcome of these matters is not probable at this time.

Supplementary Information in Relation to the Financial Statements as a Whole
39. With respect to the supplementary information accompanying the financial statements:
   a. We acknowledge our responsibility for the presentation of the supplementary information in accordance with accounting principles generally accepted in the United States of America.
   b. We believe the supplementary information, including its form and content, is fairly presented in accordance with accounting principles generally accepted in the United States of America.
   c. The methods of measurement or presentation have not changed from those used in the prior period.
   d. We believe the significant assumptions or interpretations underlying the measurement or presentation of the supplementary information, and the basis for our assumptions and interpretations, are reasonable and appropriate in the circumstances.

Required Supplementary Information

40. With respect to the required supplementary information accompanying the financial statements:
   a. We acknowledge our responsibility for the presentation of the required supplementary information in accordance with accounting principles generally accepted in the United States of America.
   b. We believe the required supplementary information, including its form and content, is measured and fairly presented in accordance with accounting principles generally accepted in the United States of America.
   c. The methods of measurement or presentation have not changed from those used in the prior period.
   d. We believe the significant assumptions or interpretations underlying the measurement or presentation of the required supplementary information, and the basis for our assumptions and interpretations, are reasonable and appropriate in the circumstances.

Uniform Guidance (2 CFR 200)

41. With respect to federal awards, we represent the following to you:
   a. We are responsible for understanding and complying with and have complied with the requirements of the Uniform Guidance.
   b. We are responsible for the preparation and presentation of the schedule of expenditures of federal awards in accordance with the Uniform Guidance.
   c. We believe the schedule of expenditures of federal awards, including its form and content, is fairly presented in accordance with the Uniform Guidance.
   d. The methods of measurement or presentation have not changed from those used in the prior period.
   e. We believe the significant assumptions or interpretations underlying the measurement or presentation of the schedule of expenditures of federal awards, and the basis for our assumptions and interpretations, are reasonable and appropriate in the circumstances.
   f. We are responsible for including the auditor’s report on the schedule of expenditures of federal awards in any document that contains the schedule and that indicates that the auditor has reported on such information.
   g. When the schedule of expenditures of federal awards is not presented with the audited financial statements, management will make the audited financial statements readily available to the intended users of the schedule of expenditures of federal awards no later than the date of issuance by the entity of the schedule of expenditures of federal awards and the auditor’s report thereon.
   h. We have, in accordance with the Uniform Guidance, identified in the schedule of expenditures of federal awards, expenditures made during the audit period for all awards provided by federal agencies in the form of grants, federal cost-reimbursement contracts, loans, loan guarantees, property (including donated surplus property), cooperative agreements, interest subsidies, food commodities, direct appropriations, and other assistance.
   i. We are responsible for complying with the requirements of laws, regulations, and the provisions of contracts and grant agreements related to each of our federal programs and have identified and disclosed to you the requirements of laws, regulations, and the provisions of contracts and grant agreements related to each of our federal programs.
agreements that are considered to have a direct and material effect on each major federal program; and we have complied, in all material respects, with these requirements.

j. We have provided to you our interpretations of any compliance requirements that have varying interpretations.

k. We are responsible for establishing and maintaining effective internal control over compliance requirements applicable to federal programs that provide reasonable assurance that we are managing our federal awards in compliance with laws, regulations, and the provisions of contracts and grant agreements that could have a material effect on our federal programs. Also, no changes have been made in the internal control system to the date of this letter that might significantly affect internal control, including any corrective action taken with regard to significant deficiencies, including material weaknesses, reported in the schedule of findings and questioned costs.

l. We have made available to you all contracts and grant agreements (including amendments, if any) and any other correspondence with federal agencies or pass-through entities relating to federal programs.

m. We have received no requests from a federal agency to audit one or more specific programs as a major program.

n. We have identified and disclosed to you all amounts questioned and any known noncompliance with the requirements of federal awards, including the results of other audits or program reviews. We also know of no instances of noncompliance occurring subsequent to the end of the period audited.

o. We have charged costs to federal awards in accordance with applicable cost principles, including amounts claimed or used for matching determined in accordance with relevant guidelines in the Uniform Guidance.

p. We have made available to you all documentation related to the compliance requirements, including information related to federal program financial reports and claims for advances and reimbursements.

q. Federal program financial reports and claims for advances and reimbursements are supported by the books and records from which the basic financial statements have been prepared (and are prepared on a basis consistent with the schedule of expenditures of federal awards).

r. The copies of federal program financial reports provided to you are true copies of the reports submitted, or electronically transmitted, to the respective federal agency or pass-through entity, as applicable.

s. We are responsible for and have accurately prepared the summary schedule of prior audit findings to include all findings required to be included by the Uniform Guidance, and we have provided you with all information on the status of the follow-up on prior audit findings by federal awarding agencies and pass-through entities, including all management decisions.

t. We have disclosed to you the findings received and related corrective actions taken for previous audits, attestation engagements, and internal or external monitoring that directly relate to the objectives of the compliance audit, including findings received and corrective actions taken from the end of the period covered by the compliance audit to the date of the auditor’s report.

u. We are responsible for and have accurately completed the appropriate sections of the Data Collection Form as required by the Uniform Guidance, and we are responsible for preparing and implementing a correction action plan for each audit finding.

v. We have disclosed all contracts or other agreements with service organizations and disclosed to you all communications from these service organizations relating to noncompliance at the organizations.

w. We have reviewed, approved, and taken responsibility for the financial statements and related notes.

x. We have disclosed to you the nature of any subsequent events that provide additional evidence with respect to conditions that existed at the end of the reporting period that affect noncompliance during the reporting period.

__________________________
Martin D. Marshall, County Administrator

__________________________
Scott Holtz, Finance Director
In accordance with generally accepted auditing standards, we have prepared the following schedule of proposed audit adjustments, which we believe are immaterial both individually and in the aggregate. We are providing this schedule to both management and those charged with governance to receive their assurance that they agree that the amounts listed below are not material to the financial statements, either individually or in the aggregate, and do not need to be recorded.
