III. Updates/Other Business

A. Legislative Dinner: The last legislative dinner was held in May 2019. The November meeting was cancelled due to several factors including a lack of municipality participation and the HS Committee decided to reconsider the way the legislative message is delivered.

The Committee would like to move forward with holding a November legislative dinner. Some topics of discussion may include history of Lenawee County and a State of the County address.

B. Erace Stigma: The 7th Annual E-race the Stigma 5k will be held on Saturday, October 1st in downtown Adrian, MI. This year's event will be held in memory and honor of long time Race Director Greg Adams who tragically passed away earlier this year. He was passionate about this event and increasing awareness of mental health issues.

County employees have been offered the opportunity to participate in the Erace Stigma 5K. This not only supports mental health programs, it promotes health and wellness for County employees. The County will cover the \$15 registration fee for any county employee participating in the 5K run/walk.

C. Habitat-ReStore: Wendy Knox provided an update on the activities of the ReStore.

The guidelines that the Board of Commissioners have been given on how ARPA funds may be used were reviewed.

There will be a tour of the ReStore of Lenawee County immediately following the meeting.

IV. Public Comment: There was no public comment.

V. Adjournment
